LEGACY

KELME 
DESDE 1960

En KELME, tras más de seis décadas, seguimos apoyando a todo aquel que quiere mejorar en dentro del terreno de juego. Nuestro heritage nos ha permitido posicionarnos como una marca deportiva de referencia tanto a nivel nacional como a nivel internacional, gracias a ser la marca técnica oficial de numerosos equipos, jugadores y atletas en todo el planeta.

No entendemos de fronteras, nuestra huella está presente en todos los continentes, una expansión nos permite seguir evolucionando en el desarrollo de nuestros productos.

At KELME, after more than six decades, we continue to support everyone who wants to improve on the pitch. Our heritage has allowed us to position ourselves as a sports brand of reference both nationally and internationally, thanks to being the official technical brand of numerous teams, players and athletes around the world.

We do not understand borders, our footprint is present on all continents, an expansion that allows us to continue to evolve in the development of our products.

- 🐾 SPONSORLOGO
- 🐾 RUGNUMMER
- 🐾 CLUBLOGO
- 🐾 MOUWINZET

Elke vereniging heeft haar eigen identiteit en dit moet ook gewaarborgd worden in het wedstrijdshirt. Kelme is specialist in het ontwerpen van clubshirts, wat volledig naar de wens van de vereniging gemaakt kan worden.

- 🐾 Hoogwaardig wedstrijdshirt
 - 🐾 Uniek design met bijv. jaartal, clublied, clublogo
 - 🐾 Als vereniging kunt u ook in kleine aantallen bestellen.
- Met uw input ontwerpen wij geheel vrijblijvend uw clubshirt

UNA HUELA QUE NO CESA

A CLAW THAT DOES NOT STOP

Kelme continúa aumentando su presencia global en el mundo del deporte, apoyando a federaciones internacionales como la Federación de fútbol de Bosnia y Herzegovina o la Confederación Argentina de Básquetbol.

En el fútbol, el deporte rey, son ya más de 50 equipos de ligas de primer nivel de todo el mundo los que dejan huella en sus competiciones de la mano de Kelme. España, Reino Unido, Portugal, Chile o Uruguay son algunos de los países en los que competimos mano a mano en las mejores liga.

Es ese espíritu de superación, sacrificio y entrega el que ha permitido que Kelme haya traspasado todas las fronteras, patrocinando a la mitad de los equipos profesionales en China.

Kelme continues to expand its global presence in the world of sports, supporting international federations such as the Football Federation of Bosnia and Herzegovina or the Argentine Basketball Confederation.

In football, one of the most popular games, over 50 teams from top tier leagues around the world are leaving their mark in competitions with the support of Kelme. Spain, the United Kingdom, Portugal, Chile or Uruguay are among the countries where we compete side by side in the best leagues.

It is the spirit of overcoming challenges, sacrifice and dedication that has allowed Kelme to transcend all borders, sponsoring half of the professional teams in China.

Dot Rubber Printing on both sides:

The sides of the shoe feature a gradient dot printing designed from the front to the back. The dots create a wave-like pattern that spreads from the center towards the front and back, complementing the lines of the outsole and giving the overall appearance a streamlined and dynamic look.

Supercritical Technological Midsole

delivering strong rebound and cushioning, enhancing propulsion, and ensuring stability during movement.

The upper adopts customized transparent mesh, providing excellent support while allowing your feet to breathe. The inner side of the mesh is designed with breathable leather support in specific areas, ensuring the strength and support for sports while maintaining overall breathability of the shoe, providing ample comfort for your every step.

High Elastic Flyknit
The Flyknit is recreated with stitching method, greatly increases the elasticity of itself, and the upper surface adopts the breathable hole weaving method, making it soft and comfortable to wear in summer.

Super stretchy tech midsole
The full-palm rubber sole has super grip ability, and the midsole has strong rebound and cushioning, which enhances the boost and moves forward stably

PP membrane cut
PP membrane material can be used to consolidate the mesh structure, help improve the elastic band tension and protect the instep in an all-round way.

Back: Integrated for easy putting on and taking off
The back adopts the new molding production process, which has the advantages of high rebound and no deformation, which is convenient for putting on and taking off
